

www.zizaniamusic.com

Zizania is a Boulder-based early jazz group that performs music from an era when jazz was king, and bands filled dance halls from coast to coast. Take a step back in time as you hear acoustic renditions of traditional New Orleans jazz, swing, and samba. We infuse the musical classics of the past with the energy of the modern day.

Zizania brings high-energy vintage jazz, swing and samba to Northern Colorado
